

# Dial 711.

## Say hello and communicate with anybody in a breeze!

Dialing 711 will connect you to Ohio Relay, a no-cost service which allows effortless communication for people who are deaf, deafblind, hard of hearing, speech-disabled, or hearing.

It is very simple to make phone calls.

1. Dial 711 or use these toll-free numbers.
2. Give a Relay Operator the number of the person you are calling to.
3. Communicate while the Relay Operator relays messages between you and the caller.
