# Reading captions could be music to your eyes. **Get a CapTel Phone!**

#### **Perfect Solution**

Difficulty understanding on the phone is often the first sign of hearing loss, and one with the greatest impact on your quality of life. Ohio CapTel has the perfect solution for you.

#### **Captioned Telephone**

Ohio CapTel service enables you to listen (with residual hearing) AND read captions of everything said. Use CapTel to help you stay connected.

Hi grandma I have big news guess what? I am a big sister and you are a grandma again
